

Christmas &
NEW YEAR 2025

A festive winter night scene. On the left, a large, multi-story stone building with a gabled roof is illuminated from within, with warm light spilling from its windows. A circular light decoration is visible in the upper window. A decorated Christmas tree stands to the left of the building. In the foreground, a canal reflects the lights from the building and the boats. Two narrowboats are moored along the canal, their lights glowing. A street lamp on the right side of the canal adds to the warm glow. The sky is dark blue with falling snow, and a snow-covered tree with lights is on the right. The overall atmosphere is cozy and celebratory.
